

INFINITY

WINDOW SECTIONS

Stunning
& Generous,
All Around

Planks shown in optional accents woodtones cedar and infinity glass section.

Visually Stunning from the Outside. Generous Outdoor Views, Inside.

Our Infinity window sections combines contemporary elegance with exceptional craftsmanship.
Add Infinity Windows to your garage door, and the street sees a striking architectural detail; you see an open, sunlit space that doesn't feel like a garage at all. Generous on style, generous on light — Infinity Windows prove a garage door can be both.

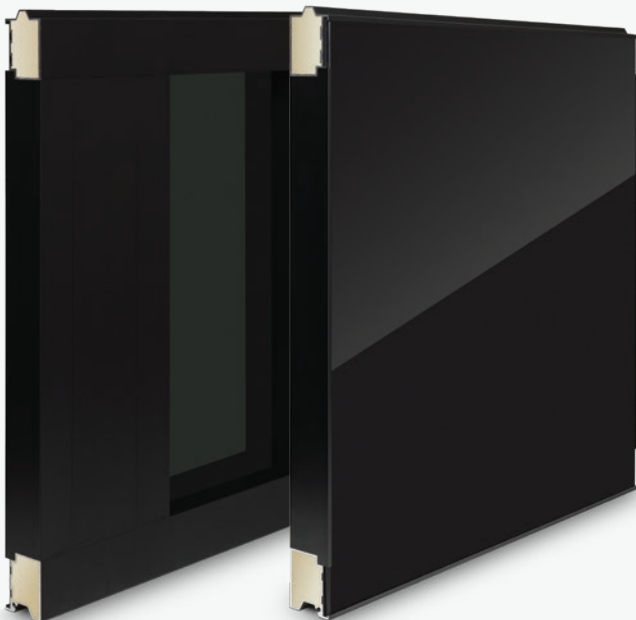

A sleek glass section brings contemporary elegance and natural light to your garage while keeping curb appeal front and center.

Slim, sophisticated frames deliver clean sightlines and comfortable performance in every season.
